# The Goldie Room

## WELCOME TO GOLDIE VINEYARD

Only a 35 minute ferry ride from Downtown Auckland, The Goldie Room and Vineyard (formerly Goldwater Estate), is a beautiful private venue set amongst 30 acres of rolling grape vines and native bush on Waiheke Island. Combine this stunning location with our variety of elegant venue rooms, extensive activities, great entertainment options, gourmet dining, fine wines and a friendly professional team at the Goldie Room and this will ensure that your next event is a resounding and memorable success.

Being the first vineyard to be planted on Waiheke Island back in 1978, our founders Kim and Jeanette Goldwater set the benchmark for quality from the beginning. One of our central aims has been to follow this quality through, not only in the wines make, but also in everything that we do at here at Goldie Vineyard. The team at The Goldie Room are dedicated to excellence and will provide you with fabulous food and wine with professional and friendly service to the highest of standards.

Allow us to take the frustration out of organising your next event! We can arrange all of your ferry and island based transport needs, organise any team-building activities and handle your initial accommodation enquiries for you if need. If you would like to talk through any questions or arrange a viewing, please do not hesitate to contact us. We look forward to hearing from you with any further enquiries.

*"...a wonderful event run by expert and smiling people supported by great food, great wine and great music. The people who organised it on the night deserve a big bow! Everyone thoroughly enjoyed themselves and at the after match the next day were full of the fun of the night before. Thank you to everyone involved."*

Thanks again for all your assistance last week and please pass our thanks onto the team - we thoroughly enjoyed the couple of days and thought the facilities were excellent as were all our meals and the team attending to them.

**AIR NZ**

The service provided by the team, the mouth-watering food, exceptional wine and fabulous venue all contributed to the day. Even the send off we received at the end of the day was memorable. Everyone enjoyed themselves so much that we are still hearing stories of the wonderful time everyone had at your vineyard on Waiheke - it could not have been a more perfect way to celebrate the start of the festive season.
