

The Goldie Room

Welcome to Goldie Vineyard

Thank you for considering The Goldie Vineyard (formerly Goldwater Estate), on Waiheke Island for your special occasion. With only a select number of boutique weddings each year, we specialise in catering for up to 150 guests offering a down to earth, friendly and relaxed atmosphere. There are delightful locations around the Estate where an on-site wedding ceremony can be conducted, have truly amazing photographs of your special day taken, with an elegant stylish venue to celebrate the special occasion with those closest to you afterwards and all located on a romantic island within a 35 minute ferry ride from downtown Auckland.

The Location that has it all

Goldie Vineyard is a beautiful private setting situated on 30 acres of rolling grape vines and is surrounded by native bush all overlooking Putiki Bay on Waiheke Island. With a choice of ceremony locations ranging from a small rustic boatshed overlooking our private beach, or 360 degree views from under our iconic hilltop

Pohutakawa tree or inside the Barrel Hall, Goldie Vineyard offers exclusivity, privacy, seclusion and romance for your entire wedding day.

Commitment to Quality

Being the first vineyard to be planted on Waiheke Island back in 1978, our founders Kim and Jeanette Goldwater set the benchmark for quality from the beginning. One of our central aims has been to follow this quality through the whole of all the business, not only in the making of our wines, but also in any functions we have had the pleasure to host. The team at Goldie Vineyard are dedicated to excellence and work together to ensure that your wedding day is a stunning and unforgettable occasion. You can expect fabulous food and wine with professional and friendly service to the highest standards.

Ceremony and Reception

The sheer quality of this iconic vineyard is matched with elegant venue rooms, gourmet dining, fine wine and exceptional service. Being spoilt for choice to select a special location for your ceremony outside, we also offer our Barrel Hall as an alternative should the rain seek to celebrate your occasion along with you (a good omen for the bridal couple). Celebrations can immediately commence at the close of your ceremony with a glass of bubbles to commemorate with if you wish. Then leaving your guests to meander back to our main venue and enjoy a range of canapés, the Bridal Party can take a picnic basket with them to nibble while photos are being taken.

Our main venue for the Reception, The Goldie Room, presents a modern, spacious and well lit room for dining and live entertainment opening out to a covered veranda and garden area with outdoor tables and sun umbrellas. The main room seats 80 comfortably with further options to seat up to 100 for dining or 150 for cocktail service.

Entertainment and Activities

String Quartet, Latin Jazz bands, Acoustic Guitar, DJ's or a Themed event – we can make it all happen here at Goldwater. We also have a range of vineyard activities such as golf chipping, petanque and croquet available for guest entertainment upon request. We also offer tours of our working-winery whereby your guests

are taken on a guided walk and talk about wine-making (bearing in mind that your guests will be dressed in their best!), through the vineyard and then down to the cellar. The tour is designed to be informal and friendly, yet informative but more importantly - fun! The tour charge is normally \$10 per person but we can offer you the reduced price of \$5 per person in conjunction with your wedding reception, as it is a great way to begin a visit here.

Additional Services

There is an excellent selection of accommodation, photographers, florists, musicians and all other associated services available on Waiheke Island. We are more than happy to help make recommendations and supply you with a contact list of our preferred suppliers.

If you would like to talk through any questions or arrange a viewing, please contact us to make an appointment. We look forward to hearing from you with any further enquiries.

Additional Wedding Information

Minimum Spend

For weddings of *up to 60* we recognise that a minimum function spend can be cost prohibitive from having a Waiheke Island vineyard wedding. In view of this The Goldie Room is pleased to offer an alternative to a minimum function spend by way of a minimum food charge per person of \$105. Please note that any other costs (such as Beverages, venue fee and any sundry equipment hire) are additional over and above the per person food charge.

For weddings of greater than 60, a minimum spend of \$12,500 applies. This includes all food and beverage, staff, activities on the day, menu and function design, venue fee, tables, chairs and linen tablecloths for weddings of up to 60 people, and more importantly: exclusive use of the venue on the day from 10:00am to midnight. There are no 'hidden costs'. However any hire costs for additional equipment over and above our own furniture provided (i.e. marquee and extra associated seating), additional table linen and linen serviettes are not included. Should you require these then we are happy to assist you with your bookings. Should you not reach the Minimum Spend on the night, then the difference will be given to you in your choice of wine and/or The Goldie Room Café gift certificates.

Seating arrangements

We can seat up to 80 guests comfortably inside the actual restaurant, however by opening our bi-fold doors and with the addition of our awnings and heaters this can extend to 100 including the veranda or even 150 with the addition of a marquee.

Premise licence

As the venue is totally yours for the day between 10am and midnight the time of day that you choose to get married is entirely yours. With the reception, our licence requires that music is to be finished by 11.30pm with guests vacating by midnight. As the restaurant is opened the following day at 11am, we ask that all decorations, gifts, and any lost property are removed by 10am the next morning.

Activities for guests

We have facilities on our property for golf chipping, croquet, petanque and a guided wine tasting tour. Any associated costs are included as part of the minimum spend.

Table seating

We use trestle tables, sized 1 x 3 metres. Each table comfortably sits 8, with 4 on each side. You may choose the location and size of the bridal table, so this measurement will vary depending on each couples needs.

Ceremony Locations

Ceremonies may be held anywhere on Goldie Vineyard free of charge if you are holding your reception on-site. Our most popular locations are under our iconic Pohutakawa tree on the hill top, in front of the Goldwater Family Villa on the cliff-top or down at the boatshed on the private beach. Understandably you may choose to hold your ceremony at one of the island's beautiful local beaches or at a church and then join us afterwards for your reception.

Wet weather options

Everyone knows rain is a sign of good luck on a wedding day! If the weather is looking rather dubious on the day then any on-site ceremonies can be held inside our Barrel Hall along with the guest wine tasting afterwards. The restaurant patio can also be completely enclosed from the rain with our awnings if need.

Music

You may bring any music you like whether string quartet, acoustic guitar, DJ or band. Please note that music providers must supply all of their own sound equipment and any associated costs for musicians/DJ's and their equipment is not included in the minimum spend. However we do also have the facilities for a CD, iPod/mp3 player or laptop to be plugged into our sound system that is suitable for background music.

Planning

Each wedding menu includes canapés served by our staff after your ceremony. We will also provide on request a hamper for your bridal party to take away which will include canapés and a bottle of sparkling wine or champagne of your choice. When your party returns from photos the night will begin. You chose when you would like to do speeches, before dinner, between courses, or after dinner. We will start by serving your entrees then mains followed by dessert. We are more than happy for you to have your own schedule for the evening and we encourage this. The only agenda information we ask for is when your mains are to be served to assist our Chef. After dinner is served then it's time to dance! If your dinner is an early one then we do recommend to have breads and dips or cheeseboards out for your guests to enjoy whilst the evening progresses.

Children's menu

We can provide children meals for \$20 per child under the age of 12 years.
